National foreword

This British Standard has been prepared by Technical Committee HCC/16 and is the English language version of EN 475:1995 *Medical devices — Electrically-generated alarm signals*, prepared by Technical Committee 259, Medical alarm signals, of the European Committee for Standardization (CEN). It supersedes BS 7618-1:1992, which is withdrawn.

Cross-references

Publication referred to	Corresponding British Standard
ISO 3744:1981 ^a	BS 4196 <i>Sound power levels of noise sources</i> Part 4:1981 <i>Engineering methods for determination of sound power levels for sources in free-field conditions over a reflecting plane</i>

^a ISO 3744:1981 has been superseded by ISO 3744:1994. The corresponding British Standard is BS ISO 3744:1994.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the EN title page, pages 2 to 11 and a back cover.

This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.

English version

Medical devices — Electrically-generated alarm signals

Dispositifs médicaux —
Signaux d'alarme électriques

Medizinische Geräte —
Elektrisch erzeugte Alarmsignale

This European Standard was approved by CEN on 1995-02-10. CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
