

BSI Standards Publication

Cable networks for television signals, sound signals and interactive services

Part 2-4: Interference Mitigation Filters operating in the
700 MHz and 800 MHz bands for DTT reception

National foreword

This British Standard is the UK implementation of EN 50083-2-4:2019.

The UK participation in its preparation was entrusted to Technical Committee EPL/100/4, Cable distribution equipment and systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

English Version

**Cable networks for television signals, sound signals and
interactive services - Part 2-4: Interference Mitigation Filters
operating in the 700 MHz and 800 MHz bands for DTT reception**

Réseaux de distribution par câbles pour signaux de
télévision, signaux de radiodiffusion sonore et services
interactifs - Partie 2-4: Filtres d'atténuation de brouillage
fonctionnant dans les bandes 700 MHz et 800 MHz pour la
réception TNT

Kabelnetze für Fernsehsignale, Tonsignale und interaktive
Dienste - Teil 2-4: Filter zur Vermeidung von Störungen in
den 700 MHz- und 800 MHz-Bändern für DTT-Empfang

This European Standard was approved by CENELEC on 2019-11-25. CENELEC members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the CEN-CENELEC Management Centre or to any CENELEC member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CENELEC member into its own language and notified to the CEN-CENELEC Management Centre has the same status as the official versions.

CENELEC members are the national electrotechnical committees of Austria, Belgium, Bulgaria, Croatia, Cyprus, the Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, the Netherlands, Norway, Poland, Portugal, Republic of North Macedonia, Romania, Serbia, Slovakia, Slovenia, Spain, Sweden, Switzerland, Turkey and the United Kingdom.
