# Committees responsible for this British Standard

The preparation of this British Standard was entrusted by Technical Committee EPL/46, Cables, wires, waveguides, R.F. connectors, and accessories for communication and signalling, to Subcommittee EPL/46/1, Communication cables, upon which the following bodies were represented:

- AEA Technology
- British Approvals Service for Cables
- British Cable Makers Confederation
- British Telecommunications plc
- ERA Technology
- Federation of the Electronics Industry
- London Underground
- National Supervising Inspectorate (UK NSI)
- Society of Cable Television Engineers

This British Standard, having been prepared under the direction of the Electrotechnical Sector Board, was published under the authority of the Standards Board and comes into effect on 15 July 1997
