Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee WEE/6, Electric arc welding equipment, upon which the following bodies were represented:

- British Cable Makers Confederation
- Electricity Association
- Health and Safety Executive
- Institution of Electrical Engineers
- National Association of Arc Welding Equipment Repairers
- Power Generation Contractors' Association (PGCA (BEAMA) Ltd.)
- Railway Industry Association
- The Welding Institute
- Welding Manufacturers' Association (BEAMA Ltd.)

This British Standard, having been prepared under the direction of the Engineering Sector Board, was published under the authority of the Standards Board and comes into effect on 15 September 1996
