

Communication cables —

Part 2-21: Common design rules and construction — PVC insulation compounds

ICS 29.035.20; 29.060.20; 33.120.01; 33.120.10

National foreword

This British Standard is the UK implementation of EN 50290-2-21:2001+A1:2007, incorporating corrigenda March 2006 and February 2016. It supersedes BS EN 50290-2-21:2002 which is withdrawn.

The start and finish of text introduced or altered by amendment is indicated in the text by tags **A1** **A1**. Tags indicating changes to CENELEC text carry the number of the CENELEC amendment. For example, text altered by CENELEC amendment A1 is indicated by **A1** **A1**.

The UK participation in its preparation was entrusted to Technical Committee EPL/46, Cables, wire and waveguides, radio frequency connectors and accessories for communication and signalling.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

Amendments issued since publication

Amd. No.	Date	Comments
16125 Corrigendum No. 1	March 2006	Addition of supersession details
17302	31 August 2007	Implementation of CENELEC amendment A1:2007: See national foreword
	31 March 2016	Implementation of CENELEC corrigendum February 2016: Table 1 corrected. Standard identifier also corrected

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 22 January 2002

This European Standard was approved by CENELEC on 2001-03-01. CENELEC members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CENELEC member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CENELEC member into its own language and notified to the Central Secretariat has the same status as the official versions.

CENELEC members are the national electrotechnical committees of Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Malta, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
