National foreword

This British Standard is the UK implementation of EN 50498:2010.

The UK participation in its preparation was entrusted to Technical Committee GEL/210/11, EMC product standards.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

English version

Electromagnetic compatibility (EMC) - Product family standard for aftermarket electronic equipment in vehicles

Compatibilité électromagnétique (CEM) -
Norme de famille de produits
pour les équipements électroniques
destinés au marché des pièces
de rechange et accessoires
pour véhicules

Elektromagnetische Verträglichkeit
(EMV) -
Produktfamiliennorm für elektronische
Geräte die nachträglich in Fahrzeuge
eingebaut werden

This European Standard was approved by CENELEC on 2010-07-01. CENELEC members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CENELEC member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CENELEC member into its own language and notified to the Central Secretariat has the same status as the official versions.

CENELEC members are the national electrotechnical committees of Austria, Belgium, Bulgaria, Croatia, Cyprus, the Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, the Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland and the United Kingdom.

Foreword

This European Standard was prepared by Working Group 8 of the Technical Committee CENELEC TC 210, Electromagnetic compatibility (EMC).

It was submitted to the Unique Acceptance Procedure and was approved by CENELEC as EN 50498 on 2010-07-01.

Attention is drawn to the possibility that some of the elements of this document may be the subject of patent rights. CEN and CENELEC shall not be held responsible for identifying any or all such patent rights.

The following dates are proposed:

- latest date by which the EN has to be implemented
at national level by publication of an identical
national standard or by endorsement (dop) 2011-07-01
- latest date by which the national standards conflicting
with the EN have to be withdrawn (dow) 2013-07-01

This European Standard has been prepared under Mandate M/359 given to CENELEC by the European Commission and the European Free Trade Association and covers essential requirements of EC Directive 2004/108/EC. See Annex ZZ.

Contents

1	Scope and objective	4
2	Normative references	4
3	Terms and definitions	4
4	Abbreviations	5
5	Test configuration.....	5
6	Applicability.....	5
7	Requirements	5
7.1	Broadband radiated disturbances	5
7.2	Narrowband disturbances.....	6
7.3	Conducted transient disturbances.....	6
7.4	Conducted transient immunity.....	7
8	Test plan	7
9	Test report	7
	Annex ZZ (informative) Coverage of Essential Requirements of EC Directives	8
	Bibliography.....	9

Tables

Table 1 – Limits for broadband radiated disturbances	6
Table 2 – Limits for narrowband radiated disturbances of ESAs	6
Table 3 – Limits of transient disturbances.....	6
Table 4 – Immunity test levels and functional status.....	7
