National foreword

This British Standard has been prepared under the direction of the Health and Environment Sector Board and is the English language version of EN 530 *Abrasion resistance of protective clothing material — Test methods*, published by the European Committee for Standardization (CEN).

EN 530 was produced as a result of international discussion in which the United Kingdom took an active part.

Cross-reference

Publication referred to	Corresponding British Standard
ISO 2231:1989	BS 3424 <i>Testing coated fabrics</i> Part 2:1992 <i>Method 4. Pre-conditioning and conditioning of coated fabrics for testing purposes</i>

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the EN title page, pages 2 to 8, an inside back cover and a back cover.

This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.

English version

Abrasion resistance of protective clothing material — Test methods

Résistance à l'abrasion du matériau
constitutif d'un vêtement de protection —
Méthode d'essai

Abriebfestigkeit von
Schutzbekleidungsmaterial —
Prüfverfahren

This European Standard was approved by CEN on 1994-11-08. CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
