National foreword

This Part of BS EN 54 has been prepared by Technical Committee FSH/12 and is the English language version of EN 54-1 : 1996 *Fire detection and fire alarm systems — Part 1. Introduction* published by the European Committee for Standardization (CEN).

It supersedes BS 5445 : Part 1 : 1977, which is withdrawn.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Teil 1 : Einleitung

This European Standard was approved by CEN on 1996-01-14. CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
