Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee STI/52, Adhesives, upon which the following bodies were represented:

- British Adhesives and Sealants Association
- British Plastics Federation
- British Steel Industry
- Centre for Adhesive Technology
- Chemical Industries Association
- Contract Flooring Association
- Department of the Environment (Building Research Establishment)
- Department of Trade and Industry (National Physical Laboratory)
- European Resin Manufacturers' Association
- Institute of Materials
- Ministry of Defence
- Society of Motor Manufacturers and Traders
- Timber Research and Development Association
- University of Bristol
- Welding Institute
- Federation of the Electronics Industry

This British Standard, having been prepared under the direction of the Sector Board for Materials and Chemicals, was published under the authority of the Standards Board and comes into effect on 15 May 1995
