

Aluminium and aluminium alloys — Foil —

Part 2: Mechanical properties

The European Standard EN 546-2:2006 has the status of a
British Standard

ICS 77.150.10

National foreword

This British Standard was published by BSI. It is the UK implementation of EN 546-2:2006. It supersedes BS EN 546-2:1997 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee NFE/35, Light metals and their alloys.

A list of organizations represented on NFE/35 can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 28 February 2007

English Version

Aluminium and aluminium alloys - Foil - Part 2: Mechanical properties

Aluminium et alliages d'aluminium - Feuille mince - Partie 2
: Caractéristiques mécaniques

Aluminium und Aluminiumlegierungen - Folien - Teil 2:
Mechanische Eigenschaften

This European Standard was approved by CEN on 25 November 2006.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland and United Kingdom.
