National foreword

This British Standard has been prepared by Technical Committee SW/136 and is the English language version of EN 568 : 1997 *Mountaineering equipment — Ice anchors — Safety requirements and test methods*, published by the European Committee for Standardization (CEN). It supersedes BS EN 568 : 1993 which is withdrawn.

EN 568 was produced as a result of international discussions in which the United Kingdom took an active part.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the EN title page, pages 2 to 8, an inside back cover and a back cover.

Descriptors: sport equipment, mountaineering, ice anchors, safety, specifications, tests, inspection, wear resistance, break strength, marking

English version

Mountaineering equipment — Ice anchors — Safety requirements and test methods

Équipement d'alpinisme et d'escalade — Broche à glace — Exigences de sécurité et méthodes d'essai

Bergsteigerausrüstung — Verankerungsmittel im Eis — Sicherheitstechnische Anforderungen und Prüfverfahren

This European Standard was approved by CEN on 1997-01-27. CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
