

Packaging of winding wires —

Part 2: Cylindrical barrelled delivery spools —

Section 2.1 Basic dimensions

The European Standard EN 60264-2-1:1994, incorporating amendment A1:2003, has the status of a British Standard

ICS 29.060.10

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Cables and Insulation Standards Policy Committee (CIL/-) to Technical Committee CIL/55, upon which the following bodies were represented:

- British Cable Makers Confederation
- British Non-ferrous Metals Federation
- British Railways Board
- Covered Conductors Association
- EEA (the Association of Electronics, Telecommunications and Business Equipment Industries)
- Electrical and Electronic Insulation Association
- Electronic Components Industry Federation
- Transmission and Distribution Association (BEAMA Ltd.)

This British Standard, having been prepared under the direction of the Cables and Insulation Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 August 1992
