National foreword

This British Standard is the UK implementation of EN 60294:2012. It is identical to IEC 60294:2012. It supersedes BS 5692:1979 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee EPL/40X, Capacitors and resistors for electronic equipment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
