National foreword

This British Standard has been prepared under the direction of the Electrical Illumination Standards Policy Committee and is the English language version of EN 60399:1993 *Standard sheets for barrel thread for E14 and E27 lampholders with shade holder ring* including amendments A1:1997 and A2:1999, published by the European Committee for Electrotechnical Standardization (CENELEC). It is identical with IEC 60399:1972 including amendments 1:1997 and 2:1999 published by the International Electrotechnical Commission (IEC).

On data sheets, the amendment by which each sheet was introduced is indicated by an extension to the shoulder heading at the top of the page (e.g. EN 60339:1993/A1:1997). Where no such extension appears, the page is part of the original European Standard.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.
