Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee EPL/29, Electro-acoustics, upon which the following bodies were represented:

- British Association of Otolaryngologists
- British Hearing Aid Industry Association
- British Medical Association
- British Society of Audiology
- British Telecommunications plc
- Confederation of British Industry
- Department of Health
- Department of Trade and Industry (National Physical Laboratory)
- Health and Safety Executive
- Institute of Acoustics
- Institute of Sound and Vibration Research
- Institution of Electrical Engineers
- Medical Research Council
- Ministry of Defence
- Royal Aeronautical Society
- Royal National Institute for Deaf People
- Society of Environmental Engineers
- University of Exeter

This British Standard, having been prepared under the direction of the Electrotechnical Sector Board, was published under the authority of the Standards Board and comes into effect on 15 June 1995

National foreword

This British Standard has been prepared by Technical Committee EPL/29 and is the English language version of EN 60645-3:1995, *Audiometers — Part 3: Auditory test signals of short duration for audiometric and neuro-otological purposes*, published by the European Committee for Electrotechnical Standardization (CENELEC). It is identical with IEC 645-3:1994, published by the International Organization for Standardization (ISO).
