

Specification for

Flexible insulating sleeving —

Part 3: Specification requirements for
individual types of sleeving —

Sheets 123 and 124: Extruded silicone
sleeving, general purpose

The European Standard EN 60684-3-123 and 124:1995 has the status
of a British Standard

Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee GEL/15, Insulating material, to Subcommittee GEL/15/3/5, Sleeveings, upon which the following bodies were represented:

- Adhesive Tape Manufacturers' Association
- British Rubber Manufacturers' Association Ltd.
- Ministry of Defence

This British Standard, having been prepared under the direction of the Electrotechnical Sector Board, was published under the authority of the Standards Board and comes into effect on 15 August 1995

National foreword

This British Standard has been prepared by Subcommittee GEL/15/3/5 and is the English language version of EN 60684-3-123 and 124:1995 *Specification for flexible insulating sleeving — Part 3: Specification requirements for individual types of sleeving Sheets 123 and 124: Extruded silicone sleeving, general purpose* published by the European Committee for Electrotechnical Standardization (CENELEC). It is identical with IEC 684-3-123 and 124 published by the International Electrotechnical Commission (IEC).

Cross-references

Schlauchtypen
Blatt 123 und 124: Extrudierte
Siliconschläuche, Standard-Typ
(IEC 684-3-123 und 124:1992)

This European Standard was approved by CENELEC on 1995-03-06. CENELEC members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CENELEC member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CENELEC member into its own language and notified to the Central Secretariat has the same status as the official versions.

CENELEC members are the national electrotechnical committees of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
