

Flexible insulating sleeving —

Part 3: Specifications for individual types of sleeving —

Sheet 216: Heat-shrinkable, flame-retarded, limited-fire hazard sleeving

ICS 29.035.20

National foreword

This British Standard is the UK implementation of EN 60684-3-216:2005+A2:2014. It is identical to IEC 60684-3-216:2005, Edition 1.1 (which comprises Edition 1:2001 consolidated by the incorporation of amendment 1:2005 and corrigendum February 2003) and also incorporates amendment 2:2014. It supersedes BS EN 60684-3-216:2005, which will be withdrawn on 16 January 2017.

The UK participation in its preparation was entrusted by Technical Committee GEL/15, Solid electrical insulating materials, to Subcommittee GEL/15/5, Flexible insulating sleeving for electrical purposes.

A list of organizations represented on this subcommittee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 23 December 2005

This European Standard was approved by CENELEC on 2005-04-12. CENELEC members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CENELEC member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CENELEC member into its own language and notified to the Central Secretariat has the same status as the official versions.

CENELEC members are the national electrotechnical committees of Austria, Belgium, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Slovakia, Slovenia, Spain, Sweden, Switzerland and United Kingdom.

Foreword

The texts of documents 15C/1140/FDIS and 15C/1664/FDIS, future edition 1 of IEC 60684-3-216 and its amendment 1, prepared by SC 15C, Specifications, of IEC TC 15, Insulating materials, were submitted to the IEC-CENELEC parallel vote and were approved by CENELEC as EN 60684-3-216 on 2005-04-12.

The following dates were fixed:

- latest date by which the EN has to be implemented
at national level by publication of an identical
national standard or by endorsement (dop) 2006-02-01
- latest date by which the national standards conflicting
with the EN have to be withdrawn (dow) 2008-04-01

Annex ZA has been added by CENELEC.

Endorsement notice

The text of the International Standard IEC 60684-3-216:2001 + corrigendum 1:2003 + A1:2005 was approved by CENELEC as a European Standard without any modification.

Foreword to amendment A2

The text of document 15/685/CDV, future IEC 60684-3-216:2001/A2, prepared by IEC/TC 15 "Solid electrical insulating materials" was submitted to the IEC-CENELEC parallel vote and approved by CENELEC as EN 60684-3-216:2005/A2:2014.

The following dates are fixed:

- latest date by which the document has to be (dop) 2014-10-16
implemented at national level by
publication of an identical national
standard or by endorsement
- latest date by which the national (dow) 2017-01-16
standards conflicting with the
document have to be withdrawn

Attention is drawn to the possibility that some of the elements of this document may be the subject of patent rights. CENELEC [and/or CEN] shall not be held responsible for identifying any or all such patent rights.

Endorsement notice

The text of the International Standard IEC 60684-3-216:2001/A2:2013 was approved by CENELEC as a European Standard without any modification.
