National foreword

This British Standard has been prepared under the direction of the Cables and Insulation Standards Policy Committee and is the English language version of EN 60684-3-340 to 342:1994 *Specification for flexible insulating sleeving — Part 3: Specification requirements for individual types of sleeving sheets 340 to 342: Expandable braided polyethylene terephthalate textile sleeving*, published by the European Committee for Electrotechnical Standardization (CENELEC). It is identical with IEC 684-3-340 to 342:1992 published by the International Electrotechnical Commission (IEC).

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.
