National foreword

This British Standard is the official English language version of EN 60749-31:2003. It is identical with IEC 60749-31:2002. It partially supersedes BS EN 60749:1999 which will be withdrawn on 2005-10-01.

The UK participation in its preparation was entrusted to Technical Committee EPL/47, Semiconductors, which has the responsibility to:

— aid enquirers to understand the text;

— present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;

— monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
