

Modular order for the development of mechanical structures for electronic equipment practices —

**Part 2: Sectional specification —
Interface co-ordination dimensions for
the 25 mm equipment practice —**

**Section 1: Detail specification —
Dimensions for cabinets and racks**

The European Standard EN 60917-2-1:1995 has the status of a
British Standard

ICS 31.240

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by Technical Committee EPL/48, Electrotechnical components for electronic equipment, to Subcommittee EPL/48/4, Mechanical structures for electronic equipment, upon which the following bodies were represented:

- Association of Manufacturers Allied to the Electrical and Electronic Industry (BEAMA Ltd.)
- British Telecommunications plc
- Federation of the Electronics Industry

This British Standard, having been prepared under the direction of the Electrotechnical Sector Board, was published under the authority of the Standards Board and comes into effect on 15 April 1997

National foreword

This British Standard has been prepared by Subcommittee EPL/48/4, and is the English language version of EN 60917-2-1:1995 *Modular order for the development of mechanical structures for electronic equipment practices — Part 2: Sectional specification — Interface co-ordination dimensions for the 25 mm equipment practice — Section 1: Detail specification — Dimensions for cabinets and racks*, published by the European Committee for Electrotechnical Standardization (CENELEC). It is identical with IEC 917-2-1:1993, published by the International Electrotechnical Commission (IEC).

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, page i and ii, the EN title page, pages 2 to 10, an inside back cover and a back cover.

This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.

Descriptors: Interface co-ordination dimensions, 25 mm equipment practice, cabinets and racks

English version

**Modular order for the development of mechanical structures
for electronic equipment practices
Part 2: Sectional specification
Interface co-ordination dimensions for the 25 mm
equipment practice
Section 1: Detail specification — Dimensions for cabinets
and racks**

(IEC 917-2-1:1993)

Ordre modulaire pour le développement
des structures mécaniques pour les
infrastructures électroniques
Partie 2: Spécification intermédiaire
Dimensions de coordination pour les
interfaces des infrastructures au pas
de 25 mm
Section 1: Spécification particulière
Dimensions pour baies et bâtis
(CEI 917-2-1:1993)

Modulordnung für die Entwicklung von
Bauweisen für elektronische
Einrichtungen
Teil 2: Strukturnorm
Schnittstellen-Koordinationsmaße
für die 25-mm-Bauweise
Hauptabschnitt 1: Maßnorm
Maße für Schränke und Gestelle
(IEC 917-2-1:1993)

This European Standard was approved by CENELEC on 1995-03-06. CENELEC members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CENELEC member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CENELEC member into its own language and notified to the Central Secretariat has the same status as the official versions.

CENELEC members are the national electrotechnical committees of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
