National foreword

This British Standard has been prepared under the direction of the Electrotechnical Sector Board and is the English language version of EN 60933-4:1994 *Audio, video and audiovisual systems. Interconnections and matching values — Part 4: Connector and cordset for domestic digital bus (D2B)*, published by the European Committee for Electrotechnical Standardization (CENELEC). It is identical with IEC 933-4:1994, published by the International Electrotechnical Commission (IEC).

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the EN title page, pages 2 to 6, an inside back cover and a back cover.

This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.
