Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee PRI/77, Rigid laminated sheets, tubes and rods, for industrial purposes, upon which the following bodies were represented:

- Electrical and Electronic Insulation Association (BEAMA Ltd.)
- Federation of the Electronics Industry
- Ministry of Defence
- Rotating Electrical Machines Association (BEAMA Ltd.)

This British Standard, having been prepared under the direction of the Sector Board for Materials and Chemicals, was published under the authority of the Standards Board and comes into effect on 15 February 1996

National foreword

This British Standard has been prepared by Technical Committee PRI/77, and is the English language version of EN 61212-3-1:1995 *Industrial rigid round laminated tubes and rods based on thermosetting resins for electrical purposes — Part 3: Specifications for individual materials, Sheet 1: Round laminated rolled tubes* published by the European Committee for Standardization (CEN).

EN 61212-3-1:1995 was produced as a result of international discussions in which the United Kingdom took an active part.

BS EN 61212 consists of the following Parts:

- *Part 1: General requirements;*
- *Part 2: Methods of test;*
- *Part 3: Specification for individual materials:*
 - Sheet 1 — Round laminated rolled tubes;*
 - Sheet 2 — Round laminated moulded tubes;*
 - Sheet 3 — Round laminated moulded rods.*

This Sheet of BS EN 61212-3 supersedes BS 6128-8:1982 which is withdrawn.

This European Standard was approved by CENELEC on 1995-07-04. CENELEC members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CENELEC member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CENELEC member into its own language and notified to the Central Secretariat has the same status as the official versions.

CENELEC members are the national electrotechnical committees of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
