

Household high-fidelity audio equipment and systems — Methods of measuring and specifying the performance —

Part 3: Amplifiers

The European Standard EN 61305-3:1995 has the status of a
British Standard

Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee EPL/84, Equipment and systems in the field of audio, video and audiovisual engineering, upon which the following bodies were represented:

- Association of British Theatre Techniques
- Audio Engineering Society
- British Broadcasting Corporation
- British Educational Supplies Association
- British Fire Protection Systems Association Limited
- British Kinematograph, Sound and Television Society
- British Radio and Electronic Equipment Manufacturers' Association
- British Telecommunications plc
- Consumers' Association
- Federation of British Audio
- Federation of the Electronics Industry
- Independent Television Association
- Institution of Electrical Engineers
- International Association of Broadcasting Manufacturers
- National Council for Educational Technology (NCET)
- Professional Lighting and Sound Association
- Radio Electrical and Television Retailers' Association
- Royal Institute of British Architects
- Royal National Institute for Deaf People
- Society of Cable Television Engineers

This British Standard, having been prepared under the direction of the Electrotechnical Sector Board, was published under the authority of the Standards Board and comes into effect on 15 December 1995

National foreword

This British Standard has been prepared by Technical Committee EPL/84 and is the English language version of EN 61305-3:1995 *Household high-fidelity audio equipment and systems — Methods of measuring and specifying the performance — Part 3: Amplifiers*, published by the European Committee for Electrotechnical Standardization (CENELEC). It is identical with IEC 1305-3:1995, published by the International Electrotechnical Commission (IEC).

EN 61305 consists of the following Parts:

- *Part 1: General*;
- *Part 2: FM radio tuners¹⁾*;
- *Part 3: Amplifiers*.
