

Liquid crystal display devices —

Part 3-1: Liquid crystal display (LCD) cells — Blank detail specification

The European Standard EN 61747-3-1:2006 has the status of a
British Standard

ICS 31.120; 31.260

National foreword

This British Standard was published by BSI. It is the UK implementation of EN 61747-3-1:2006. It is identical with IEC 61747-3-1:2006. It supersedes BS EN 61747-3-1:2000, which will be withdrawn on 1 October 2009.

The UK participation in its preparation was entrusted to Technical Committee EPL/47, Semiconductors.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 29 June 2007

(IEC 61747-3-1:2006)

This European Standard was approved by CENELEC on 2006-10-01. CENELEC members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CENELEC member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CENELEC member into its own language and notified to the Central Secretariat has the same status as the official versions.

CENELEC members are the national electrotechnical committees of Austria, Belgium, Cyprus, the Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, the Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland and the United Kingdom.

Foreword

The text of document 110/88/FDIS, future edition 2 of IEC 61747-3-1, prepared by IEC TC 110, Flat panel display devices was submitted to the IEC-CENELEC parallel vote and was approved by CENELEC as EN 61747-3-1 on 2006-10-01.

This European Standard supersedes EN 61747-3-1:1999.

The main changes with regard to EN 61747-3-1:1999 concern editorial updating in accordance with current ISO/IEC directives.

This part of EN 61747 is a blank detail specification for liquid crystal display cells. It should be read together with the generic specification and sectional specification to which it refers.

The following dates were fixed:

- | | | |
|--|-------|------------|
| – latest date by which the EN has to be implemented
at national level by publication of an identical
national standard or by endorsement | (dop) | 2007-07-01 |
| – latest date by which the national standards conflicting
with the EN have to be withdrawn | (dow) | 2009-10-01 |

Annex ZA has been added by CENELEC.

Endorsement notice

The text of the International Standard IEC 61747-3-1:2006 was approved by CENELEC as a European Standard without any modification.
