The European Standard EN 62330-3:2004 has the status of a British Standard

ICS 33.160.40; 35.240.99

National foreword

This British Standard is the official English language version of EN 62330-3:2004. It is identical with IEC 62330-3:2003.

The UK participation in its preparation was entrusted to Technical Committee EPL/100, Audio, video and multimedia systems, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
