

Paper and board intended to come into contact with foodstuffs — Determination of the fastness of fluorescent whitened paper and board

The European Standard EN 648:2006 has the status of a
British Standard

ICS 67.250; 85.060

National foreword

This British Standard was published by BSI. It is the UK implementation of EN 648:2006. It supersedes BS EN 648:2003 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PAI/11, Methods of test for paper, board and pulps.

A list of organizations represented on PAI/11 can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 March 2007
