

CONFIRMED
DECEMBER 2007

Resilient floor coverings — Polyvinyl chloride floor coverings with foam layer — Specification

The European Standard EN 651:1996, with the incorporation of amendment A1:2003, has the status of a British Standard

ICS 97.150

Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee PRI/60, Resilient floor coverings, upon which the following bodies were represented:

- British Adhesives and Sealants Association
- British Railways Board
- British Resilient Flooring Manufacturers' Association
- British Rubber Manufacturers' Association Ltd.
- Consumer Policy Committee of BSI
- Contract Flooring Association
- Cork Industry Federation
- Department of the Environment (British Board of Agrément)
- Department of the Environment (Building Research Establishment)
- Institute of Chartered Arbitrators
- Royal Institute of British Architects
- Wood Panel Industries Federation

This British Standard, having been prepared under the direction of the Sector Board for Materials and Chemicals, was published under the authority of the Standards Board and comes into effect on 15 April 1997

National foreword

This British Standard has been prepared by Technical Committee PRI/60, and is the English language version of EN 651:1996 *Resilient floor coverings — Polyvinyl chloride floor coverings with foam layer — Specification*, including amendment A1:2003, published by the European Committee for Standardization (CEN).

This British Standard supersedes BS 5085-2:1976 which is withdrawn.

The Technical Committee has reviewed the provisions of prEN 660-1 and of prEN 660-2 to which normative reference is made in the text and has decided that they are acceptable for use in conjunction with this standard.

Cross-references

The British Standards which implement international or European publications referred to in this document may be found in the *BSI Catalogue* under the section entitled “International Standards Correspondence Index”, or by using the “Search” facility of the *BSI Electronic Catalogue* or of British Standards Online.

This publication does not purport to include all the necessary provisions of contract. Users are responsible for its correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.
