Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee NFE/35, Light metals and their alloys, upon which the following bodies were represented:

- Aluminium Federation
- Aluminium Stockholders' Association
- Association of Light Alloy Refiners Ltd.
- Magnesium Industry Council
- Ministry of Defence

The following bodies were also represented in the drafting of the standard, through subcommittees and panels:

- Association of British Welded Aluminium Tube Makers
- Institution of Structural Engineers
- Metal Packaging Manufacturers' Association

This British Standard, having been prepared under the direction of the Engineering Sector Board, was published under the authority of the Standards Board and comes into effect on 15 April 1997
