Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee SME/32, Steering committee on shipbuilding and marine standards, upon which the following bodies were represented:

- British Marine Equipment Council
- British Maritime Technology
- British Waterways Board
- Chamber of Shipping
- Lloyd's Register of Shipping
- Marine Safety Agency
- Ministry of Defence
- Shipbuilders' and Shiprepairers' Association

The following bodies were also represented in the drafting of the standard, through subcommittees and panels:

- Association of Master Lighterman and Barge Owners (Port of London)
- British Marine Industries Federation

This British Standard, having been prepared under the direction of the Engineering Sector Board, was published under the authority of the Standards Board and comes into effect on 15 December 1996
