National foreword

This Part of BS EN 726 has been prepared by Technical Committee IST/17 and is the English language version of EN 726-1:1994 *Identification card systems — Telecommunications integrated circuit(s) cards and terminals — Part 1: System Overview* published by the European Committee for Standardization (CEN)

This British Standard is the English language version of EN 726-1:1994 and implements it as the UK national standard.

This British Standard is published under the direction of the Information Systems Technology Assembly whose Technical Committee IST/17 has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international committee any enquiries on interpretation, or proposals for change, and keep UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

NOTE International and European Standards, as well as overseas standards, are available from Customer Services, BSI, 389 Chiswick High Road, London W4 4AL.
