Committees responsible for this British Standard

The preparation of this British Standard was entrusted by Technical Committee B/543, Round and sawn timber, to Subcommittee B/543/1, Timber terminology and measurement, upon which the following bodies were represented:

- British Timber Merchants' Association
- British Woodworking Federation
- Council of the Forest Industries of British Columbia
- Department of the Environment (Building Research Establishment)
- Forestry Commission
- National Council of Building Material Producers
- National House-Building Council
- Royal Institute of British Architects
- Timber Packaging and Pallet Confederation
- Timber Trade Federation
- Trussed Rafter and Fabricators' Association
- United Kingdom Softwood Sawmillers' Association

This British Standard, having been prepared under the direction of the Sector Board for Building and Civil Engineering, was published under the authority of the Standards Board and comes into effect on 15 July 1995

National foreword

This British Standard has been prepared by Technical Committee B/543/1 and is the English language version of EN 844-1:1995 *Round and sawn timber — Terminology — Part 1: General terms common to round timber and sawn timber* published by the European Committee for Standardization (CEN).

No existing British Standard is superseded.

Textual error. The scope should read “...general terms relating to round timber and sawn timber...”

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the EN title page, pages 2 to 6 and a back cover.

This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.
