Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee NFE/35, British light metals and their alloys, upon which the following bodies were represented:

- Aluminium Federation
- Aluminium Stockholders' Association
- London Metal Exchange
- Magnesium Industry Council

The following bodies were also represented in the drafting of the standard, through subcommittees and panels:

- Association of British Welded Aluminium Tube Makers
- Association of Light Alloy Refiners Limited
- Institution of Structural Engineers
- Metal Packaging Manufacturers' Association

This British Standard, having been prepared under the direction of the Engineering Sector Board, was published under the authority of the Standards Board and comes into effect on 15 April 1996

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the EN title page, pages 2 to 8, an inside back cover and a back cover.

This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.

ICS 77.120.10; 77.140.90

Descriptors: Aluminium, aluminium alloys, rolled products, manufacturing, kitchen utensils, blank, delivery, mechanical properties, dimensions, dimensional tolerances, roughness

English version

Aluminium and aluminium alloys — Circle and circle stock for the production of culinary utensils — Specifications

Aluminium et alliages d'aluminium — Disques
et ébauches pour disques pour applications
culinaires — Spécifications

Aluminium und Aluminiumlegierungen —
Ronden und Rondenvormaterial zur
Herstellung von Küchengeschirr —
Spezifikationen

This European Standard was approved by CEN on 1995-02-08. CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
