# National foreword

This British Standard has been prepared by Technical Committee SW/14 and is the English language version of EN 914 : 1996 *Gymnastic equipment — Parallel bars and combination asymmetric/parallel bars — Functional and safety requirements, test methods*, published by the European Committee for Standardization (CEN).

This standard supplements the relevant general standard, BS EN 913 : 1996 *Gymnastic equipment — General safety requirements and test methods*. The requirements of BS EN 914 take precedence over those of the general standard.
