

Graphical symbols for use in the labelling of medical devices

The European Standard EN 980:1996, including its amendments A1:1999 and A2:2001, has the status of a British Standard

ICS 01.080.20; 11.040.01

Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee CH/68, General terminology, symbols and information provided with medical devices, upon which the following bodies were represented:

- Association of Anaesthetists of Great Britain and Ireland
- Association of British Dispensing Opticians
- Association of British Health-care Industries
- Association of Contact Lens Manufacturers
- British Anaesthetic and Respiratory Equipment Manufacturers' Association
- British Dental Trade Association
- British Institute of Radiology
- College of Radiographers
- Department of Health
- Health and Safety Executive
- Institution of Physics and Engineering in Medicine and Biology
- Medical Sterile Products Association
- Ministry of Defence
- National Blood Authority
- Royal College of Surgeons of England
- Surgical Dressings Manufacturers' Association

This British Standard, having been prepared under the direction of the Health and Environment Sector Board, was published under the authority of the Standards Board and comes into effect on 15 January 1997

National foreword

This British Standard has been prepared by Technical Committee CH/68 and is the English language version of EN 980:1996, *Graphical symbols for use in the labelling of medical devices*, including amendments A1:1999 and A2:2001, published by the European Committee for Standardization (CEN).

Cross-references

The British Standards which implement international or European publications referred to in this document may be found in the BSI Standards Catalogue under the section entitled “International Standards Correspondence Index” or by using the “Find facility” of the BSI Standards Electronic Catalogue.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the EN title page, pages 2 to 10, an inside back cover and a back cover.

The BSI copyright notice displayed in this document indicates when the document was last issued.

Sidelining in this document indicates the most recent changes by amendment.

English version

Graphical symbols for use in the labelling of medical devices

(includes amendments A1:1999 and A2:2001)

Symboles graphiques utilisés pour l'étiquetage
des dispositifs médicaux
(inclut les amendements A1:1999 et A2:2001)

Graphische Symbole zur Kennzeichnung von
Medizinprodukten
(enthält Änderungen A1:1999 und A2:2001)

This European Standard was approved by CEN on 1996-05-01; amendment A1 was approved by CEN on 1999-08-01; amendment A2 was approved by CEN on 2001-06-16. CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
