Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee NFE/8, Zinc, upon which the following bodies were represented:

- British Iron and Steel Producers' Association
- Institute of British Foundrymen
- London Metal Exchange
- Metal Roofing Contractors' Association
- Zinc Alloy Die Casters' Association
- Zinc Development Association

This British Standard, having been prepared under the direction of the Engineering Sector Board, was published under the authority of the Standards Board and comes into effect on 15 January 1997

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, pages 1 to 8, an inside back cover and back cover.

ICS 77.120.60; 77.140.90

Descriptors: rolled products, steel strips, zinc products, zinc alloys, buildings, chemical composition, mechanical properties, dimensions, tests, designation, marking, packing

English version

Zinc and zinc alloys — Specifications for rolled flat products for building

Zinc et alliages de zinc — Spécifications pour
produits laminés plats pour le bâtiment

Zink und Zinklegierungen — Anforderungen an
gewalzte Flacherzeugnisse für das Bauwesen

This European Standard was approved by CEN on 1996-03-07. CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
