

BSI Standards Publication

Digital addressable lighting interface

Part 222: Particular requirements for control gear -
Thermal lamp protection (device type 21)

National foreword

This British Standard is the UK implementation of EN IEC 62386-222:2018. It is identical to IEC 62386-222:2018.

The UK participation in its preparation was entrusted to Technical Committee CPL/34/3, Auxiliaries for lamps.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

English Version

**Digital addressable lighting interface - Part 222: Particular
requirements for control gear - Thermal lamp protection (device
type 21)
(IEC 62386-222:2018)**

Interface d'éclairage adressable numérique - Partie 222:
Exigences particulières pour les appareillages de
commande - Protection thermique de la lampe (dispositifs
de type 21)
(IEC 62386-222:2018)

Digital adressierbare Schnittstelle für die Beleuchtung - Teil
222: Besondere Anforderungen für Betriebsgeräte -
Thermischer Lampenschutz (Gerätetyp 21)
(IEC 62386-222:2018)

This European Standard was approved by CENELEC on 2018-05-15. CENELEC members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the CEN-CENELEC Management Centre or to any CENELEC member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CENELEC member into its own language and notified to the CEN-CENELEC Management Centre has the same status as the official versions.

CENELEC members are the national electrotechnical committees of Austria, Belgium, Bulgaria, Croatia, Cyprus, the Czech Republic, Denmark, Estonia, Finland, Former Yugoslav Republic of Macedonia, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, the Netherlands, Norway, Poland, Portugal, Romania, Serbia, Slovakia, Slovenia, Spain, Sweden, Switzerland, Turkey and the United Kingdom.

European foreword

The text of document 34/484/FDIS, future edition 1 of IEC 62386-222, prepared by IEC/TC 34 "Lamps and related equipment" was submitted to the IEC-CENELEC parallel vote and approved by CENELEC as EN IEC 62386-222:2018.

The following dates are fixed:

- latest date by which the document has to be (dop) 2019-02-15
implemented at national level by
publication of an identical national
standard or by endorsement
- latest date by which the national (dow) 2021-05-15
standards conflicting with the
document have to be withdrawn

Attention is drawn to the possibility that some of the elements of this document may be the subject of patent rights. CENELEC shall not be held responsible for identifying any or all such patent rights.

Endorsement notice

The text of the International Standard IEC 62386-222:2018 was approved by CENELEC as a European Standard without any modification.

In the official version, for Bibliography, the following notes have to be added for the standards indicated:

IEC 61347 (series)	NOTE	Harmonized as EN 61347 (series).
IEC 61347-1	NOTE	Harmonized as EN 61347-1.

Annex ZA (normative)

Normative references to international publications with their corresponding European publications

The following documents are referred to in the text in such a way that some or all of their content constitutes requirements of this document. For dated references, only the edition cited applies. For undated references, the latest edition of the referenced document (including any amendments) applies.

NOTE 1 Where an International Publication has been modified by common modifications, indicated by (mod), the relevant EN/HD applies.

NOTE 2 Up-to-date information on the latest versions of the European Standards listed in this annex is available here: www.cenelec.eu.
