

Quality management — Guidelines for configuration management

The European Standard EN ISO 10007:1996 has the status of a British Standard

ICS 03.120.10

Committees responsible for this British Standard

This British Standard was prepared by Technical Committee MS/4, Design management systems, upon which the following bodies were represented:

- Association of Consulting Engineers
- Association of Project Managers
- BEAMA Ltd.
- British Photographic Association
- British Standards Society
- Chartered Society of Designers
- Consumers' Association
- Coventry University
- Defence Manufacturers' Association
- Department of Trade and Industry (Enterprise Initiative Division)
- Design Council
- Electricity Association
- Federation of Small Businesses
- GAMBICA (BEAMA Ltd.)
- Health and Safety Executive
- Institute of Quality Assurance
- Institution of Civil Engineers
- Institution of Engineering Designers
- Institution of Electrical Engineers
- Institution of Mechanical Engineers
- Ministry of Defence
- Royal Institute of British Architects
- University of Glasgow
- University of Leeds
- University of Westminster
- Co-opted members

This British Standard, having been prepared under the direction of the Management Systems Sector Board, was published under the authority of the Standards Board and comes into effect on 15 February 1996

National foreword

This British Standard has been prepared by Technical Committee MS/4, and is the English language version of EN ISO 10007:1996 *Quality management — Guidelines for configuration management*, published by the European Committee for Standardization (CEN). It is identical with ISO 10007:1995, published by the International Organization for Standardization (ISO).

EN ISO 10007:1996 was produced as a result of international discussion in which the United Kingdom took an active part.

Cross-references

Publication referred to	Corresponding British Standard
EN ISO 8402:1995 (ISO 8402:1994)	BS EN ISO 8402:1995 <i>Quality management and quality assurance — Vocabulary</i>
	BS EN 30011 <i>Guidelines for auditing quality systems</i>
EN 30011-1:1993 (ISO 10011-1:1990)	BS EN 30011-1:1993 <i>Auditing</i>
EN 30011-2:1993 (ISO 10011-2:1991)	BS EN 30011-2:1993 <i>Qualification criteria for quality systems auditors</i>

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the EN ISO title page, page 2, the ISO title page, pages ii to iv, pages 1 to 14, an inside back cover and a back cover.

This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.

English version

Quality management — Guidelines for configuration management

(ISO 10007:1995)

Management de la qualité — Lignes directrices
pour la gestion de configuration —
(ISO 10007:1995)

Qualitätsmanagement — Leitfaden für
Konfigurationsmanagement
(ISO 10007:1995)

This European Standard was approved by CEN on 1996-07-24. CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.

Foreword

The text of the International Standard from Technical Committee ISO/TC 176, Quality management and quality assurance, of the International Organization for Standardization (ISO) has been taken over as a European Standard by Technical Board of CEN.

This European Standard shall be given the status of a national standard, either by publication of an identical text or by endorsement, at the latest by February 1997, and conflicting national standards shall be withdrawn at the latest by February 1997.

According to CEN/CENELEC Internal Regulations, the national organizations of the following countries are bound to implement this European Standard: Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and the United Kingdom.

NOTE Normative references to International Standards are listed in Annex ZA (normative).
