National foreword

This British Standard has been prepared by Technical Committee TCI/25 and is the English language version of EN ISO 10528:1995 *Textiles — Commercial laundering procedure for textile fabrics prior to flammability testing*, published by the European Committee for Standardization (CEN). It is identical with ISO 10528:1995 published by the International Organization for Standardization (ISO).

This British Standard supersedes the corresponding methods in BS 5651:1978 and BS 5651:1989, which are deleted by amendment.

Cross-references

Publication referred to	Corresponding British Standard
ISO 6330:1994	BS EN 26330:1994 <i>Textiles — Domestic washing and drying procedures for textile testing</i>

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the EN ISO title page, pages 2 to 6, an inside back cover and a back cover.

This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.
