

Sterile, single-use intravascular catheters —

Part 5: Over-needle peripheral catheters

The European Standard EN ISO 10555-5:1997, with the incorporation of amendment A1:2000, has the status of a British Standard

ICS 11.040.20

National foreword

This British Standard is the English language version of EN ISO 10555-5:1997, including amendment A1:2000 and corrigendum July 2002. It is identical with ISO 10555-5:1996, including amendment 1:1999 and technical corrigendum June 2002. It supersedes BS 4843:1987 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee CH/27, Medical plastics tubing, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.

Cross-references

The British Standards which implement international or European publications referred to in this document may be found in the *BSI Catalogue* under the section entitled “International Standards Correspondence Index”, or by using the “Search” facility of the *BSI Electronic Catalogue* or of British Standards Online.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, the EN ISO title page, page 2, the ISO title page, pages ii to iv, pages 1 to 11 and a back cover.

The BSI copyright notice displayed in this document indicates when the document was last issued.

Sidelining in this document indicates the most recent changes by amendment.

This British Standard, having been prepared under the direction of the Health and Environment Sector Board, was published under the authority of the Standards Board and comes into effect on 15 September 1997

English version

Sterile, single-use intravascular catheters — Part 5: Over-needle peripheral catheters

(includes amendment A1:2000)

(ISO 10555-5:1996 + A1:1999)

Cathéters intravasculaires stériles,
non réutilisables —
Partie 5: Cathéters périphériques à aiguille
interne
(inclut l'amendement A1:2000)
(ISO 10555-5:1996 + A1:1999)

Sterile intravaskuläre Katheter zur einmaligen
Verwendung —
Teil 5: Periphere Katheter mit innen liegender
Kanüle
(enthält Änderung A1:2000)
(ISO 10555-5:1996 + A1:1999)

This European Standard was approved by CEN on 1997-06-09; amendment A1 was approved by CEN on 9 June 2000. CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

The European Standards exist in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.

Foreword

The text of the International Standard from Technical Committee ISO/TC 84 “Medical devices for injections” of the International Organization for Standardization (ISO) has been taken over as a European Standard by Technical Committee CEN/TC 205 “Non-active medical devices”, the secretariat of which is held by BSI.

This European Standard shall be given the status of a national standard, either by publication of an identical text or by endorsement, at the latest by January 1998, and conflicting national standards shall be withdrawn at the latest by January 1998.

According to the CEN/CENELEC Internal Regulations, the national standards organizations of the following countries are bound to implement this European Standard: Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and the United Kingdom.

Endorsement notice

The text of the International Standard ISO 10555-5:1996 has been approved by CEN as a European Standard without any modification.

NOTE Normative references to International Standards are listed in Annex ZA (normative).

Foreword to amendment A1

The text of this amendment EN ISO 10555-5:1997/A1:2000 to the EN ISO 10555-5:1997 from Technical Committee ISO/TC 84, Medical devices for injections, of the International Organization for Standardization (ISO) has been taken over as an amendment to the European Standard by Technical Committee CEN/TC 205, Non-active medical devices, the Secretariat of which is held by BSI.

This amendment to the European Standard EN ISO 10555-5:1997 shall be given the status of a national standard, either by publication of an identical text or by endorsement, at the latest by January 2001, and conflicting national standards shall be withdrawn at the latest by January 2001.

According to the CEN/CENELEC Internal Regulations, the national standards organizations of the following countries are bound to implement this European Standard: Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.

Endorsement notice

The text of the amendment to the International Standard ISO 10555-5:1996/amendment 1:1999 has been approved by CEN as an amendment to the European Standard without any modification.

Endorsement notice

The text of ISO 10555-5:1997/Corr. 1:2002 has been approved by CEN as a European Corrigendum without any modifications.
