The European Standard EN ISO 12625-9:2005 has the status of a
British Standard

ICS 85.020; 85.060

Confirmed July 2010

National foreword

This British Standard is the official English language version of EN ISO 12625-9:2005. It is identical with ISO 12625-9:2005.

The UK participation in its preparation was entrusted to Technical Committee PAI/11, Methods of test for paper, board and pulp, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
