National foreword

This British Standard has been prepared by Technical Committee HCC/25 and is the English language version of EN ISO 13295:1996 *Dental rotary instruments — Mandrels* published by the European Committee for Standardization (CEN). It is identical with ISO 13295:1994 published by the International Organization for Standardization (ISO).

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.
