National foreword

This British Standard has been prepared by Technical Committee ES/2, and is the English language version of EN ISO 14011:1996, published by the European Committee for Standardization (CEN). It is identical with ISO 14011:1996, *Guidelines for environmental auditing — Auditing procedures — Auditing of environmental management systems* published by the International Organization for Standardization (ISO).

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.
