National foreword

This British Standard is the UK implementation of EN ISO 14446:2010. It is identical to ISO 14446:1999. It supersedes BS 6782-11:1999, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee STI/3, Paint media and related products.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard, having been prepared under the direction of the Sector Committee for Materials and Chemicals, was published under the authority of the Standards Committee and comes into effect on 15 September 1999
