

Protective clothing for automobile racing drivers — Protection against heat and flame — Performance requirements and test methods

The European Standard EN ISO 14460:1999, with the incorporation of amendment A1:2002, has the status of a British Standard

ICS 13.340.10

National foreword

This British Standard is the official English language version of EN ISO 14460:1999, including amendment A1:2002. It is identical with ISO 14460:1999, including amendment 1:2002.

The UK participation in its preparation was entrusted by Technical Committee PH/3, Protective clothing, to Subcommittee PH/3/2, Clothing for protection against heat and flame, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this subcommittee can be obtained on request to its secretary.
