Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee HCC/51, Prosthodontic and orthodontic materials, upon which the following bodies were represented:

- Association of Dental Hospitals of the United Kingdom
- British Ceramic Research Limited
- British Dental Association
- British Dental Trade Association
- British Institute of Surgical Technologists
- British Orthodontic Society
- British Society for Restorative Dentistry
- British Society for the Study of Prosthetic Dentistry
- British Society of Periodontology
- Dental Laboratories Association Limited
- Dental Materials Panel
- Department of Health
- Gypsum Products Development Association
- Institute of Materials
- Institute of Physics
- Ministry of Defence
- Orthodontic Technicians Association
- Royal Society of Medicine
- Society of University Dental Instructors

This British Standard, having been prepared under the direction of the Health and Environment Sector Board, was published under the authority of the Standards Board and comes into effect on 15 June 1995

National foreword

This British Standard has been prepared by Technical Committee HCC/51 and is the English language version of EN ISO 1567:1995 *Dentistry — Denture base polymers* published by the European Committee for Standardization (CEN). It is identical with ISO 1567:1988 prepared within Technical Committee 106 of the International Organization for Standardization (ISO) with the active participation of the UK. It supersedes BS 2487:1989 which is withdrawn.

Cross-references

Publication referred to	Corresponding British Standard
EN 27491:1991 (ISO 7491:1985)	BS 6790:1987 <i>Method for determination of colour stability of dental polymeric materials</i>
EN 28601:1992 (ISO 8601:1988)	BS EN 28601:1992 <i>Specification for representation of dates and times in information exchange</i>

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the EN title page, pages 2 to 12, an inside back cover and a back cover.

This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.

English version

Dentistry — Denture base polymers

(IEC 1567:1988)

Art dentaire — Polymères pour base de
prothèses dentaires
(ISO 1567:1988)

Zahnheilkunde — Prothesenkunststoffe
(ISO 1567:1988)

This European Standard was approved by CEN on 1995-01-04. CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.

Foreword

This European Standard has been taken over by Technical Committee CEN/TC 55, Dentistry, from the work of ISO/TC 106, Dentistry, of the International Standardization Organization (ISO).

The text was submitted to the Unique Acceptance Procedure (UAP) and approved as a European Standard.

This European Standard shall be given the status of a national standard, either by publication of an identical text or by endorsement, at the latest by July 1995, and conflicting national standards shall be withdrawn at the latest by July 1995.

In accordance with the CEN/CENELEC Internal Regulations, the following countries are bound to implement this European Standard: Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.

NOTE Normative references to international publications are listed in Annex ZA (normative).
