National foreword

This British Standard is the English language version of EN ISO 1598:1999, which is identical with ISO 1598:1990.

The British Standards which implement International or European publications referred to in this document may be found in the BSI Standards Catalogue under the section entitled “International Standards Correspondence Index” or by using the “Find” facility of the BSI Standards Electronic Catalogue.

The Technical Committee has reviewed the provisions of IEC 565:1990 to which reference is made in the text and has decided that they are acceptable for use in conjunction with this standard. A related British Standard to ISO 565 is BS 410:1986.

Warning note. This British Standard, which is identical with ISO 1598 does not necessarily detail all the precautions necessary to meet the requirements of the Health and Safety at Work etc. Act 1974. Attention should be paid to any appropriate safety precautions and the method should be operated only by trained personnel.

A British Standard does not purport to include all necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.
