

Plastics — Polypropylene (PP) moulding and extrusion materials —

Part 2: Preparation of test specimens and determination of properties

The European Standard EN ISO 1873-2:1997, with the incorporation of amendment A1:2000, has the status of a British Standard

ICS 83.080.20

Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee PRI/32, Olefin Plastics, upon which the following bodies were represented:

- British Cable Makers Confederation
- British Plastics Federation
- Ministry of Defence
- Packaging and Industrial Films Association
- Telecommunications Cables Group of Bcmc

This British Standard, having been prepared under the direction of the Sector Board for Materials and Chemicals, was published under the authority of the Standards Board and comes into effect on 15 July 1997

National foreword

This British Standard has been prepared by Technical Committee PRI/32 and is the English language version of EN ISO 1873-2:1997, *Plastics — Polypropylene (PP) moulding and extrusion materials — Part 2: Preparation of test specimens and determination of properties*, including amendment A1:2000, published by the European Committee for Standardization (CEN). EN ISO 1873-2:1997 was produced as a result of international discussions in which the United Kingdom took an active part.

EN ISO 1873-2:1997 has been approved by CEN member bodies under the weighted voting procedures introduced in 1988 to coincide with the introduction of “New Approach” Directives from the Commission of the European Community.

Cross-references

The British Standards which implement international or European publications referred to in this document may be found in the BSI Standards Catalogue under the section entitled “International Standards Correspondence Index”, or by using the “Find” facility of the BSI Standards Electronic Catalogue.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the EN ISO title page, pages 2 to 8, an inside back cover and a back cover.

The BSI copyright notice displayed in this document indicates when the document was last issued.

Sidelining in this document indicates the most recent changes by amendment.

Descriptors: Plastics, thermoplastic resins, moulding materials, extruding materials, polypropylene, tests, determination, properties, test specimens, specimen preparation

English version

Plastics — Polypropylene (PP) moulding and extrusion materials — Part 2: Preparation of test specimens and determination of properties

(includes amendment A1:2000)
(ISO 1873-2:1997)

Plastiques —
Polypropylène (PP) pour moulage et extrusion —
Partie 2: Préparation des éprouvettes et
détermination des propriétés
(inclut l'amendement A1:2000)
(ISO 1873-2:1997)

Kunststoffe —
Polypropylen (PP)-Formmassen —
Teil 2: Herstellung von Probekörpern und
Bestimmung von Eigenschaften
(enthält Änderung A1:2000)
(ISO 1873-2:1997)

This European Standard was approved by CEN on 1997-03-28. Amendment A1:2000 was approved by CEN on 2000-06-15. CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
