National foreword

This British Standard has been prepared by Technical Committee PRI/21 and is the English language version of EN ISO 2039-1:1996 *Plastics — Determination of hardness — Part 1: Ball indentation method*, published by the European Committee for Standardization (CEN). It is identical with ISO 2039-1:1993, published by the International Organization for Standardization (ISO).

BS EN ISO 2039-1:1997 supersedes BS 2782-3:Method 365D:1991, which is withdrawn.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.
