

Leather — Physical and mechanical tests — Sample preparation and conditioning

The European Standard EN ISO 2419:2002 has the status of a
British Standard

ICS 59.140.30

National foreword

This British Standard is the official English language version of EN ISO 2419:2002. It is identical with ISO 2419:2002. It supersedes the “General instructions” and clause 2 of BS 3144:1968, which are deleted by amendment.

The UK participation in its preparation was entrusted to Technical Committee TCI/69, Footwear and leather, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
