National foreword

This Part of BS 3900 is technically identical with International Standard ISO 2815:1973, *Paints and varnishes — Buchholz indentation test*. In 1998 the European Committee for Standardization (CEN) accepted ISO 2815:1973 as European Standard EN ISO 2815:1998.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the EN ISO title page, pages 2 to 6 and a back cover.

This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.
